

Holy Rosary Chicken Dinner

Workers List

July 30th, 2017

Brian & Jan Weber

All men, women and youth of the parish: Any and all that can help with dinner preparation are appreciated! In particular, we need help on Friday cleaning chicken and Saturday preparing vegetables and setting up booths outside if they didn't get done on Friday. These are the time consuming jobs and extra help lightens the load for everyone. Friday evening is the best time to set up your booth because we have more people there so we are not rushing around on Sunday looking for tables and things. Any amount of time you can offer is appreciated. If you cannot work your scheduled shift you must find your replacement or swap positions with someone else. If you have a serious reason that you cannot make it and can't find coverage please contact Julie Witkowski at juleswitkowski@gmail.com or 231-714-0402.
