**A Blessed Month of the Holy Rosary!**

October is our month here at Holy Rosary—our Feast Day with a procession Friday the 7th, our parish dinner Saturday October 8th, 40 hours devotion, super saints throughout the month, including our secondary patron on October 25<sup>th</sup>, St Isadore.

Work on the roof continues along well, despite weather delays and loose brick. They are coming to a close on the last part of the brickwork. Meanwhile the sheet metal (copper) sections have been going up, as well as repairs to the limestone. The slate is starting to be stacked on the scaffolding, ready to be put on anytime! A few new pictures are on our website, and by the time this is published, I hope to have climbed up there and made another mini movie.

What of the most important part of our capital campaign? The unity of the parish? It too is moving along, but we still need and hope for your participation in this area shown not only by your support but by a willingness to continue to work together for God’s glory. Let us keep praying for one another and remember, this is only the beginning of our need for your help. The capital campaign goes for 3 years—so join a committee, offer to help and most of all pray for one another.

Finally, we’ll start to practice the new mass parts before the weekend masses this weekend, and use them for the first time hopefully on October 29th. Remember that there are classes every week in which we are going over these changes to come in the whole English speaking world.

God bless,  
 Fr. Libby
