## **NEED A SUBSTITUTE IN THE FUTURE?**

As you can see we work MANY weeks in advance and it really helps us to plan!

Even if your plans are for the holidays, hunting travel, or school vacation times, let us know and then we will have it on our radar.

### **KEEP IN MIND -**

**Fall brings about many changes in routines with school events, sports & activities.**

**If you know in advance that you may have conflicts with your current adoration times with the change of seasons, let us know those too!**

**Thank You!!**
