Come Adore with Us... CHAPEL NEWS

BULLETIN INSERT - November, 2026 **Volume 15 - Issue 04**

November is the month of the dead. During November we especially concentrate on prayers for our beloved departed who are in Purgatory. Those who die with even the slightest blemish on their souls or with any inordinate attachments to this world will go to Purgatory to be purified of these blemishes and attachments before being united to God. To have such intimate contact with God for all eternity requires that we be absolutely pristine. We must be perfect. Is perfecting comes through purification in Purgatory. This purification is a painful process. But it does come to an end. Once completely purified we will be united in complete happiness to God.

God is so merciful that even this necessary step can be mitigated. But it is left up to us, the living, to help them. Our prayers can lessen the pain they endure and shorten the time in which they will be in Purgatory. The most powerful prayer we can offer for a soul in Purgatory is the Holy Sacrifice of the Mass. I strongly encourage you to do so. That said, all prayers help. But a very special prayer that can be offered is simply time with God, time adoring him in the Blessed Sacrament. While adoring our Lord I recommend that you call to mind loved ones and those who are special in your life that have died. While adoring our Lord, present these souls to the Lord. Beg God to have mercy on their souls. Beg God to give them relief and release from Purgatory. Don't you know this will be efficacious? How can our Lord turn down one of his faithful people who is imploring him face to face, so to speak, to release a soul in Purgatory, a soul that God himself loves more than anyone else? God will be most eager to answer this prayer. It has also been known that when we pray for people by name, it has a special impact. Yes, we can absolutely pray for the dead in general and pray for our loved ones in general, but it is good on occasion to actually pray for them by name.

Having an Adoration Chapel at Holy Rosary provides a unique opportunity to pray for the souls in Purgatory, especially in the month of November. Did you know that when you go to adore for a Holy Hour you can actually offer that Holy Hour up for an intention? Even if you go to spend just a few minutes with our Lord, you can offer up that time with him for an intention. As you go before the Lord remember the dead. The dead will remember you in return. They will pray for you when in heaven and they will be among those welcoming you into Paradise when you die.

Adore the Lord! Console him by petitioning him to have mercy on his friends who are being purified. Don't you know that even God himself will be "indebted" to you for the help that you have given to those that he loves so much? As we well know, God will never be outdone in generosity.

Have mercy on the souls in Purgatory by offering adoration time for them.

Have mercy on God by allowing him to be quickly united with his friends, by praying for the souls in Purgatory.
